When i made the reservation, i had requested patio seating. When we arrived, there were still few tables available in the patio, the hostess was looking around then some guy (waiter? came up and said that all the tables in the patio have been reserved! We ended up sitting 'outside' where it was VERY chilly and windy, since we were just under canopies. Food was great though I don't see myself returning as i felt that... [read more](#). What

[User](#) doesn't like about The Pier House:

Ate outside on the terrace and ordered the noodles, the salmon and one side of the Broccolini in addition to a few cocktails. The service was slower than comfortable and (obviously) it was a little cool and windy in the evening, so a working heating would have been appreciated. Overall, what I expected for a restaurant in a tourist area was not as great as you want for the price, but decent enough. [read more](#). When the weather is good you can also eat and drink outside, And into the accessible spaces also come clientele with wheelchairs or physical limitations. WiFi is available without additional charges. Expect extraordinary combinations of different products at The Pier House - all according to the approach of a exceptional fusion cuisine, Besides, the successful blend of different dishes with new and sometimes adventurous products is appreciated by the guests - a good case of Asian Fusion.
