I really enjoyed my mixed grill kebab plate, but my wife was craving moussaka. This restaurant makes a different style from moussaka than traditional style. While it was good, it wasn't what she wanted. The staff is very nice and if you try a variation on traditional moussaka, you can enjoy it. I recommend her adana and lamb/beef plate.

Great flavors. [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather. At Taste Of Troy, you'll find authentic, classic Kebabs in countless variations as well as the spices and spice mixes, known for the delectable Turkish cuisine - whether on a Lahmacun, in a Sucuk, or in one of the delectable salads with chickpeas or lentils, there are also tasty vegetarian menus in the menu. Furthermore, you can order fresh *prepared meat*, The visitors also rave about the scrumptious, airy flatbread that can be dipped into the own hummus or a yoghurt dip; the intense combination of figs with goat cheese is also one of the favorites from the diverse cuisine of the Middle East.
