What [User](#) likes about New Wok Express:

This is the big orange chicken, they also offer the no rice option or a regular dish. I love Chinese food and this place has the best orange chicken I've ever had. The lo mein and kung pao chicken is also very tasty. They are affordable and only drive thru. [read more](#). What [User](#) doesn't like about New Wok Express:

, just wanted to leave a review because I had a bad experience here on the other day, but they have some ok food here 1-10 a 6.5 or 7, where there was a man waiting in the line and wanted to tell me that I was going up, so he would order bc he was't in a car, where I waited for about 10 if no more and no one answered intill I got back to the windows and said the lady who was waiting for me where they rush u and catch a setting and then rude things like this yes no thank you. after this experience I think I would give this place a 3 if not 2. In New Wok Express from Dallas, expect versatile, scrumptious Chinese cuisine that's authentically cooked in a wok, Here, the meat is freshly cooked on an open flame.
