What [User](#) likes about Burger King:

Alexandria was the only employee working after all of her coworkers walked out. She did all of the work and when we got the food. Which was very fast for one person. It was the greatest Burger King burger I've had yet. I will definitely be coming back to this Burger King. I called the place just to get her name for this review. Amazing

Terrible service. Black Lady Thru was rude. has always received our food. Supposed to be [fast food](#) that we sat 15 minutes on the ride thru windows, was never said that it would take a minute that she just left. Not to mention when I got my food, it was cold. Bad food service I've ever received. Do not recommend going back! Didn't say anything because the feeling they had spit my food if they had to give it back. [read more](#). Burger King from Tulsa
