First customer this week; Nice local facility for a drink and food was good for a bar. My husband really enjoyed the GI Cheeseburger?. We called to find a good time frame as there was Trivia on Wednesday. Staff were friendly on the phone and both servers were nice during our visit. It is packed for trivia, but it is fun to participate.

Will surely visit again?. [read more](#). What [User](#) doesn't like about Glengary Inn:

Used to be great. New owners, new cooks. Food has gone downhill. Varies by day of the week as different cooks makes dishes differently. Cost is different than on their own website but they don't know anything about that. Sliders used to be bigger and cost less. Used to be my favorite place for quick takeout but moving on.
