If you're desiring some zesty South American cuisine, you've come to the right place: tasty meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, And of course, you should also try the **delicious burgers**, with sides such as fries, salads, or wedges provided. In this locale there is also an extensive selection of coffee and tea specialties not to forget, In the morning they serve a varied breakfast here.
