I tried a salmon plate for lunch and very much enjoyed it perfect size, had a bit of rice and salad and orange. Salmond was well done, no skin, and next time I will try with more soy sauce. Friendly fast service. Will be back! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations.

What [Richi M](#) doesn't like about Waba Grill:

3rd of August 2022 I walked in and was greeted right away. Radio was playing in the background: The Fish. I ordered a chicken salad and added a avocado on the side. I truly felt everything was fresh. I bought a bottle of water but they also have water in the fountain free of charge. 4th of August 2022 I came back the next day to try the shrimp, rice, and veggie bowl. There was no flavor! It was extremely small and it's not worth trying. I will never return or recommend this spot. With a large selection of fresh vegetables, fish and meat, the Waba Grill from Chatsworth prepares **healthy, fine Japanese dishes**, The barbecued food is freshly cooked here on an open flame. **The preparation of the menus is done authentically Asian**, Besides, the creative blend of different menus with new and partially adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion.
