offers the possibility to sit outside and eat in beautiful weather, And into the accessible rooms also come customers with wheelchairs or physical disabilities. WLAN is available for free. Even if you're only not so much hungry, you can still treat yourself to one of the delicious *sandwiches*, a small salad or another snack, guests often choose the tasty, fluffy flatbread, which is perfect for dipping into the homemade hummus or a creamy yogurt dip; the strong connection of figs and goat cheese undeniably also belongs to the delicious bits of the multifaceted Middle Eastern cuisine.
