In Duluth this is the only good [Mexican](#) spot and it also has the best views. Good portions and they bring a nice size salsa container to your table with chips. Good drinks and lots. I met this place every time I'm in Duluth. [read more](#). Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Surely, it's also a nice experience to feel like in the Wild West once, to drink and sample like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice tasty burger, there are also **fine [vegetarian menus](#)** in the menu.
