What [User](#) likes about Makana:

Adult in Hawaii, ordered delivery Authentic give you Mac Salat without asking how in Hawaii. Ribs were great, Sauce needs more sweet. Garlic rice not charged, not garlic The coconut dessert was disappointing. It's just a pudding with shaved coconut on top? If they can increase the sweet hawaiian teriyaki options, I will completely reorder and bring friends. [read more](#).

What [User](#) doesn't like about Makana:

I have been ordering from here for years and she? ve has changed the management several times. Every time they change management, it will be bad. I ordered the lunch special and they gave me enough washabi for two pieces of the 12 pieces sushi rolls I have. The same for the ginger. In addition, prices are ridiculous! I won't come back there after more than 7-10 years of food. So sad!!!! [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. Should you wish to sample delicious American meals like burgers or barbecue, then Makana in New York is the ideal place for you, fine particularly are the [Sashimi](#) and specialties like Inside-Out that this place is known for. The **Asian fusion cuisine** is also an important part of Makana. Anyone who finds the everyday and generally known menus too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients enjoy, and it's made with lots of freshly harvested vegetables, fish and meat, healthy Japanese meals cooked.
