The extensive diversity of **coffee and tea specialties** makes a visit to Hardee's even more worthwhile, and you can try tasty American meals like Burger or Barbecue. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, Naturally, you can't miss out on the [fine burgers](#), which are accompanied by sides like fries, salads, or wedges offered.
