It was worth waiting! I've been waiting for some months to come here for the great reviews of employees. We should have made a reservation, but didn't know better. We had a little waiting for a table, but it was worth it!! We're coming back! [read more](#). The restaurant offers complimentary WiFi for its guests. Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), There's something for all tastes and it's impossible to go wrong with the bite-sized Tapas. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink.
