One of our favorite places in St Charles. They never disappoint. Although they were extremely busy because of the holiday festivities our fireside table on the patio was ready when we arrived and the wait staff was right there to assist us. We will definitely return. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather. What [User](#) doesn't like about Winery of the Little Hills:

You can't beat the outdoor patio for a picturesque place to eat. At night they light candles and have string lights overhead. Food was just ok. Steak was overcooked. Substituting fries for a salad cost \$2 but the salads were huge. Worth a visit and great for a big group! [read more](#). A visit to Winery of the Little Hills is particularly valuable due to the comprehensive selection of **coffee and tea specialties**, You'll find delicious South American meals also on the menu. There are also tasty American dishes, for example, burgers and grilled meat, You can also look forward to the typical delicious *French cuisine*.
