The restaurant from Atlanta offers *130* different meals and drinks on [the menu](#) at an average \$12.0. What [User](#) likes about Terrapin Taproom:

Great spot for BBQ and only other full restaurant version of Fox Brother BBQ. Beer selection is obviously through the roof and ambiance of being near the stadium can't be beat. Easy to get reservations here at least on nongame days. Also good spot for game days as you can eat good food or just grab a brew and then walk right into the stadium [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and be served. What [User](#) doesn't like about Terrapin Taproom:

Always saw this as the gold standard in Atlanta for BBQ. Definitely a step down from the past. The brisket was dry and the sides were underwhelming. Other than a good location think I might spend my time at other BBQ restaurants. [read more](#). At Terrapin Taproom in Atlanta, **tasty meat is freshly grilled** on an open flame and garnished with **tasty sides**, And of course, you should also try the fine burgers, with sides such as fries, salads, or wedges offered. After the meal (or during it), you have the opportunity to also relax at the bar with a **alcoholic or non-alcoholic drink**.
