I told the hostess we had a reservation with open table. She stated she did not have it. Then I also told her I needed for the restaurant know I was there in open table. She declined to help. So we had to wait to eat. After we waited and got to the table, everything went very well [read more](#). In beautiful weather you can even have something in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [User](#) doesn't like about PF Chang's Superstition Springs:

- they are waiting for our reservation at the bar. the bartender had to ask us to take our order. - wait an hour, though we had a reservation. - good parts have shrunk, but the prices have not. -service to the tables above average. - I'll stay with the takeout. Are you looking for [delicious delights](#)? In PF Chang's Superstition Springs you will find magical desserts that will certainly satisfy your cravings, Particularly fine are also the *Sashimi* and specialties like **Inside-Out** from this restaurant. After the meal (or during it), you have the opportunity to still relax at the bar with a **alcoholic or non-alcoholic drink**, Furthermore, the customers love the inventive combination of different dishes with new and partially experimental products - a good example of successful Asian Fusion.
