The place from New York offers **210** different dishes and drinks on the menu at an average price of \$9.9. What [User](#) likes about Amber Kips Bay:

Good food and nice ambiance in a location crowded with competition. The service was a little disappointing, especially given that there were very few patrons when I went, but I would still recommend it overall [read more](#).

What [User](#) doesn't like about Amber Kips Bay:

The sushi was excellent. The waiter was a bit slow and brought the food out before the cocktails we ordered which was a little weird. We also had very drunk and rowdy group sit next to us which made it not as pleasant, but that's not the restaurant's fault [read more](#). At Amber Kips Bay in New York, **tasty, juicy, delicious grill items is freshly roasted** on an open flame and served with fine sides, Moreover, the menu of this gastropub offers a good and especially large assortment of beers from the region and the world that are definitely worth a try. After the meal (or during it), you can also relax at the bar with a *alcoholic or non-alcoholic drink*, among the specialties of this place are especially the Sashimi and Sashimi.
