The restaurant from Mission offers *15* different **meals and drinks** on [the menu](#) at an average \$14.1. What [User](#) doesn't like about Lada 52:

First time in this place and I was disappointed, we only bought some margaritas and the dark-haired bartender was super rude and told us that if we didn't buy more drinks we better get out of there. They have never told us anything like that anywhere. The bar didn't have any people so there was no reason to be that rude. I don't recommend this place [read more](#). Anticipate the varied, tasty Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers), The barbecue is freshly **grilled** here on an open flame.
