What [User](#) doesn't like about Zaxby's Chicken Fingers Buffalo Wings:

1 of 2 drink machines was operational. The operational one was out of most flavors. Both restrooms were gross. Visited at night, all outdoor lights were out, including the sign. Portion size of the slaw was a joke. If you're hungry some spicy South American gastronomy, you're in the right place: tasty menus, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu. For you, the dishes are normally prepared *fast and fresh*. Moreover, there are tasty American dishes, such as burgers and grilled meat. There are also some international menus available on the menu.
