I've been going to the border grill for many years. it gets better and better every time. eating is always delicious and fresh. the parking space is easy in and out. the atmosphere is perfect in the inner and the staff is great and friendly. the prices have risen, but it is expected with this economy, I will still pay to eat there. Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), Besides the yummy sandwiches, healthy salads and other snacks also make a good snack. Fresh seafood, meat, as well as beans and rice are also South American cooked here, and you can try fine American dishes like **Burger or Barbecue**.
