all vegan and totally delicious. they can sink brownie and cookies also with sauces and toppings. there are tons of aromen to choose. I always get the Taro ice cream brownie sunflower with fold. this place is the top notch! updated by the previous review on 2022-07-27 [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is free WiFi. If the weather are right, you can also have something to eat outside. What [Ally E](#) doesn't like about Hug Life:

The website is misleading because it says organic non-dairy. It may be non-dairy, but the ingredients are not organic. If you're desiring some spicy South American cuisine, you've come to the right place: delicious dishes, cooked with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, In addition, the **sweet desserts** of the establishment shine not only in the eyes of the little guests. No matter the occasion - a festival - the in-house catering makes it easy to enjoy the food from Hug Life at home, The inventive fusion of different dishes with fresh and partially daring products is highly valued by the visitors - a nice example of Asian Fusion.
