I ordered lunch special which was a nice size and delicious. Thank you for making my lunch today. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. What [User](#) doesn't like about China House: is this place on the hill. I should have listened to the other reviews. we had the general Tso chicken and garnelen lo mine. the chicken was more a grill than G.T the garnel and noodles were rubbery and bland. To finish this, the price was 5 dollar more than my regular place. we liked eating here. we do not make this trip again! [read more](#).
