What [User](#) likes about Great China: I go to the Chinese restaurant, nothing beats this place! I literally drive the 30 minutes from my house to get food from here! her general Tso chicken is to die! [read more](#). What [Earnestine Davis](#) doesn't like about Great China: My daughter like it. I don't personally. Maybe I caught them in a bad day but the sesame chicken didn't taste like chicken and the contents that were in the spring roll was so mushy that I couldn't tell what was in it. I will not eat here but my daughter can [read more](#). Great China from Rome prepares for you delicious sushi (e.g., Nigiri and Inside-Out), as well as in numerous additional variations, with fresh ingredients like fish, vegetables and meat, Many guests are particularly impressed by the *versatile, tasty Chinese cuisine*. The Asian fusion cuisine is likewise an important part of Great China. Anyone who finds the usual and generally known menus too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, on the menu there are also a lot of Asian dishes.
