The menu of Golden Chick from Wichita Falls includes **67** dishes. On average, **dishes or drinks on the card** cost about \$10.4. The categories can be viewed on the menu below. What User likes about Golden Chick: The food is always good and fresh. Of course their are times that their are times they busier then others but I can't complain about the speed or quality of the service. There are Golden Chick's more convenient to me but I like the Seymour Hwy store the nest. [read more](#). The restaurant offers complimentary WLAN for its visitors. What User doesn't like about Golden Chick: food tastes fine, but lately the delicate sizes have shrunk significantly. I am not looking for chili's chicken-crisper-level shares, but some of the pathetic bands and scraped them to try to give out, as write out would be laughed if the price was not also by dach. if this was just a one-time event, I would write it out as anomaly, but it happened to me and my fellow workers several times. it is also not unusual tha...
