What [User](#) likes about World Of Wings: omg these wings are really good. it is very hard to find a place with good wings! the chef made a new sauce and let us try it with a fries and 4 of 5 of us had it on the wings. it was something with avocado and cilantro. I have teriyaki honey and they were amazingly good. [read more](#). What [User](#) doesn't like about World Of Wings: I really don't like to leave bad critiks, but I tried to call and place an order for 30 minutes. it was a constant, busy signal. idk if they are not aware that it is out, but that is a very long time not to notice. if they hooked it out of that because you're busy, that's not cool.
