10/10 one of the best restaurants on kauai! I would recommend getting the huh katsu and asking for the spicy sauce; the two couple together so beautiful! Some of the most health and tasty eating I found in hawaii. would it go again!. What [User](#) doesn't like about Korean Bbq:

Kalbi was very disappointing. Very little meat and none on a couple of ribs but was tasty. \$26 way overpriced unless you crave the ton of rice with the dish. BBQ pork was much better.
