The **menu of Planet Sub** from Tempe includes 15 meals. On average, **meals or drinks on the menu** cost about \$11.5. The categories can be viewed on the menu below. The restaurant experiences significant fluctuations in quality, leaving patrons with mixed feelings. While some rave about standout options like the creamy club and buffalo chicken subs, others lament the blandness of the bread and call it akin to pre-packaged alternatives. Service issues are also a concern, with reports of inconsistency and short-staffing affecting the overall experience. Enthusiastic employees can make a difference, but the restaurant's potential seems hampered by inconsistency. Despite notable highlights, those in search of a reliably satisfying sandwich may find better options elsewhere, particularly for morning visits when operational hours can be uncertain.
