The menu of Planet Sub from Tempe includes 10 dishes. On average, dishes or drinks on the menu cost about \$11.5. The categories can be viewed on the menu below. What [User](#) likes about Planet Sub: I ordered the creamy club sandwich with extra veggies and it was honestly one of the best sandwiches I've had from a sub place. Also shout out to employee Naomi! She went above and beyond in taking care of my family and making sure we were satisfied with our food. [read more](#). What [User](#) doesn't like about Planet Sub: Gotta say it's pretty bland and not great. Subway is way better and has more options for you sandwiches for the same price. The owner responded saying that they use zero processed meat. I feel I should say I'm [vegetarian](#) so I don't eat the meat. Just to clarify. [read more](#). [Crispy pizza](#) is baked hot from the oven at Planet Sub in Tempe using a time-honored method, You'll find tasty **South American** cuisine also on the menu. Also, they serve you [tasty seafood meals](#), [fine vegetarian menus](#) are also in the menu available.
