I could say that honestly this was the best customer service and the food I've ever got from any place! I have literally placed my order online, ten minutes later I hear a knock on the door, now I know I live about 5 minutes on the street, but that was fast. The delivery driver was very well managed and polite. So I think how is the food

Gonna be and sure enough honest it was the best I ever got from any Domino! I re... [read more](#). What [User](#) doesn't like about Domino's Pizza:

They delivered my order to the wrong address and told me they would remake it for me but after 45 minutes of waiting the manager told me the driver said it was the right house and never sent it. [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. In Domino's Pizza in Pittston, they prepare *tasty pizza* using a traditional method, served **straight out of the oven**, Besides the yummy sandwiches, small salads and other snacks also make a good snack.
