I love popcorn. It's my weakness. We saw the shop when shopping. The seller has a sample of the flavors we wanted. I don't think I tried anything bad! Even the dill pickle taste was delicious (although unusual) and made with the actual dill spice. I will buy from them online and will stop again when we are back in [Colorado Springs!](#)

We bought some popcorn from our grandkids for their fundraiser. I believe we paid \$20 for 2 bags of popcorn.

We opened it up, took a bite, and threw it in the trash. It tasted like grease. No cheddar cheese at all. Won't make that mistake again. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities. At Colorado Kernels in Colorado Springs, you get a **tasty brunch** for breakfast and you can at will pamper, There are also nice *South American* menus on the menu.
