The most incredibly delicious Iraqi food with the nicest owners ever. Get the platter and you'll be so satisfied! The kabobs here are so tender and the giant naan bread is soft and light and fluffy and the hummus and rice are packed with flavor. Not to mention, all of the food is very affordable and portions are enormous! You won't regret visiting here! If I could give it ten stars I would. Must try! [read more](#). What [User](#) doesn't like about Al Tannour:

Be careful! This is the worst restaurant I have been to in Anaheim. Service is bad. Altitude is bad. They are not welcoming. Food is not fresh. They lied about the cashier machine not working so they said they can't print out a receipt, but the fact is that they want you to pay without a receipt so they can avoid to pay taxes. Worst manners overall. [read more](#).
