[User](#) likes about Aomatsu:

It's a little pricy, but it's worth it. For lunch you can go to Bento or eat. They serve Katsu as a main dish (chicken, pig or fish of the day). If they have the gyoza available, then you should definitely get it. Best gyoza I ever had it and it's homemade there in the store. [read more](#). What [User](#) doesn't like about Aomatsu:

Their food is really delicious, but you have to be ready to pay at least \$20 if you want to eat one of their meals (bentos are like half the price, but take out only). Not exactly ideal for a college student. [read more](#). You can use the WiFi of the place at no extra cost. If you want to try fine **American courses like burgers or barbecue**, Aomatsu from Hilo is the place to be, Besides, the successful blend of different meals with new and sometimes adventurous products is appreciated by the guests - a beautiful case of Asian Fusion. **Dishes are prepared typically in the Asian style**, You can also discover tasty South American meals in the menu.
