What [User](#) likes about Bento Davie:

Service was great food was good, good enough to fill the stomach, but more fast food like taste in my opinion, place was clean, had the Miami Roll thought it would be better, but was not bad, missing a little more blow in taste, garlic broccoli chicken was good. Gochujang garlic chicken was great in taste taste their best dish, give it a try. [read more](#). What [User](#) doesn't like about Bento Davie:

First Saturday night. Atmosphere and employees were very nice. The food was tasteless. Had the Korean chicken with rice and it tasted like nothing (I had to put salt and soy sauce to try it like something). My friend got the Korean chicken with lo mine, that was a little better. Probably not be back to give it another shot. [read more](#). Bento Davie from Davie prepares for you *scrumptious sushi* (e.g., *Nigiri and Inside-Out*), as well as in numerous additional variations, with fresh ingredients like fish, vegetables and meat, Besides, the creative blend of different dishes with new and sometimes adventurous products is appreciated by the customers - a good case of Asian Fusion. The preparation of the dishes is done authentically Asian, and it's made with lots of freshly harvested vegetables, fish and meat, **easily digestible Japanese meals** prepared.
