There are many [Mexican](#) restaurants around me in this area something like 12 actually and I have tried them all and several times to make sure that I don't judge them on a free day or something, and so far this is simply the best in the Roebuck, Duncan, Blackstock/Westgate area of Spartanburg and what I would consider to be locals, and close this from now on the only place I will do. The food was good, but we only saw our waitress 4 times, she spent the majority of her time behind the old bar. Wait about 10 minutes for our order and about 15 minutes for our ticket after dinner. Look forward to the **diverse, delicious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink.
