10 stars on the board! The second one you go, I was greeted by friendly staff who led me to the beautiful dining area. My friend grew up in Port Chester and said they were the best, and we had his birthday dinner tonight and he didn't let us down in the least. The atmosphere was incredible and very well decorated, the staff was amazingly so friendly, happy, attentive and sincere. The food was beyond words, nothing can compare. I live 10 minutes from Wooster St in New Haven, CT and I can honestly say T. At T&j [Pizza And Pasta](#) from Port Chester you have the opportunity to taste delicious [vegetarian](#) dishes, in which no trace of animal meat or fish was processed, Also, you shouldn't miss out on the crispy and crunchy [pizza](#), original freshly baked in a wood oven. Moreover, awaiting for you is typical **Italian cuisine** with tasty classics like [pizza](#) and pasta.
