1. Let's see. Enter the command counter and see him. Got menu. Turn right at the order counter and find cozy dining room type of dark but airy with windows that needs new blinds. A person at the order counter was busy with another male, but confirmed us in time. We sat on a table in the middle of about 12 tables and stands along the walls. The person at the counter came and then took a little bit later another person and took our order. Don't be in a hurry. He ordered the lasagna. came with house salad and garlic bread....alot of garlic bread. The sauce and noodles of the lasagna were excellent... very hot and fresh. Very reasonable price for what I had. A total of 5 stars. At Fairfield Pizza Pasta from Fairfield you have the opportunity to savor delicious [vegetarian](#) courses, in which no trace of animal meat or fish was used, Also, you shouldn't miss out on the crispy and crunchy pizza, original freshly baked in a wood oven. Additionally, you're in for original **Italian cuisine** inclusive of delicious classics like pizza and pasta.
