Great chicken liver. Food is the best. They also have great customer service. Image of my flowering onion. A must try if you like onions. Make sure you request extra sauce for onion. [read more](#). What [User](#) doesn't like about Ocean View Seafood:

A restaurant I often visited. Lady works alone in the front. Perhaps the owner with an accent. Very rude. We ordered and treated a lot like we couldn't afford it. She treated us as if it were an inconvenience to take our order. Watch that we order additional pages to go with the combination plate. We said we'd pay extra. Then she hit the menu down when we asked about the price of crab legs. I felt honest that this wa... [read more](#). If you're desiring some **spicy South American gastronomy**, you're in the right place: exquisite dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you have the opportunity to try delicious American meals like Burger or Barbecue. In addition, they proffer you delicious seafood meals, The guests of the restaurant also consider the extensive variety of various **coffee and tea specialities** that the establishment offers.
