The staff was very friendly. I was in a little hurry to get a taxi to arrange an appointment. I didn't have to tell them. They were intent to negate me, take my order and get me my meal. And what a meal. Succulent, buttery fish, with exceptional rice. The Wasabi and ginger were unique and delicious. Like sushi? Definitely stop. It is a phillyic joy! Typical people. read more. What User doesn't like about Roe Thai And Japanese:
The food is pretty expensive for what you get, I got the beef teriyaki and it was $13.50 and the portion was suuuper small and mostly was covered in filler things like onions and mushrooms and it tasted pretty mediocre. Then I got the dragon roll and it had bones in the eel part of the sushi. I have never had bones in my sushi at any restaurant I have ever been to before now. Just don't eat here. It is very expensive... read more.
