The place from Seattle offers **16 different dishes and drinks on [the menu](#)** at an average price of \$6.9. What [Shelby C](#) likes about West Seattle Brewing Company:

I love the location on Alki and I am so sad that it is closing. It was a great spot to grab a drink and enjoy the beach. I enjoy the location near the junction but it's just not the same. I'll be returning but wish they could still stay on Alki somehow.. [read more](#). What [Varshini S](#) doesn't like about West Seattle Brewing Company:

I thought this brewery was just okay. They don't have a wide variety of beers on tap (only one hazy IPA) and their draft list is limited. I didn't try the food. We were also only 1 of 2 parties on a Saturday afternoon which suggests there are better breweries in the area to hit instead. I did appreciate that they have HH pricing on a weekend. Not sure I'll be back but it was a decent beer. [read more](#). As a visitor, you can use the WiFi of the establishment at no extra cost, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. If the weather conditions are right, you can also eat outside. West Seattle Brewing Company from Seattle is a good place for a bar to **a drink after work** and be able to sit with friends or alone.
