What [User](#) likes about Crosscut Taphouse: This is a great place to eat in [Price](#) Utah. American style food that is delicious. We had the burgers for lunch and they hit the spot. The staff (namely Becky) was sweet and a hard worker. The atmosphere is a surprise for Price. It's extremely nice. 5 out of 5 from our family. [read more](#). The restaurant offers complimentary WiFi for its guests, And into the accessible rooms also come clientele with wheelchairs or physical limitations. If the weather are right, you can also have something to eat outside. What [User](#) doesn't like about Crosscut Taphouse: Saw a ton of ads on the highway talking about this place. So we detoured from our destination and went in hoping for a great microbrew. This place isn't even a brewery!!! They do sell other brewery's beer but the we're out of most everything. Then the food. Out of half the menu. Out of condiments? out of YOU NAME IT. The only saving grace was our server I think her name tag said Paris. She was sweet and did a great j... [read more](#).
