What User likes about Poki One N Half: The food is really good, but this place has fallen a bit in recent years. Portions sizes vary greatly depending on the employee, but generally smaller than they used to be, prices have increased, they have 2 of the basic options removed (chips and poki burrito that was delicious) as well as some ingredients, and sometimes they are not mixing the sauce with the fish for a clear reason. There was also one time I came i... [read more](#).
