Their adult milk shakes are definately more of a beverage consistency and small but tasty. We also tried recordings and they were super delicious. read more. What Peter Lovberg doesn't like about Buck Wild:

The mechanical bowl was fun. When it's 92° with 60% humidity in Auston it's nice to know that the bar that you are in is air-conditioned. What are you thinking Buck Wild? That nobody notices it's hot as hell in your bar and any horse fly can fly right in? Get a door and get some AC. No complaints with the service at all!Service: 5/5 read more.
