I have no complaints. The service was great, the food was hot at arrival and decor is amazing. I ate here before a show and enjoyed it. This time was much better than I ordered more food. My son loved eating and outdoor decoration. If ever, I get used to a certain table salsa taste. While this was not bad, it almost has a grocery store taste, although it was homemade. The green salsa is homemade and has a great taste... [read more](#). It's definitely always an experience to be in a typical saloon and to consume; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, There's something for all tastes and it's impossible to go wrong with the bite-sized Tapas. Look forward to the enjoyment of **fine vegetarian dishes**, Furthermore, the customers of the establishment enjoy the large variety of the various *coffee and tea specialities* that the establishment has available.
