This restaurant is just what it looks like good food, cheap prices and good service. Everything was clean. The tables were arranged at a distance. The food had excellent taste. The waitress was attentive, but not too much. [read more](#). What [User](#) doesn't like about Hill House:

Was disappointed. Food was always good, but not good. Fries were frozen, not freshly cut. Fish wasn't broken beer, but a little hard. Had no taste. It's a shame because we used to rave over this place. Not anymore. And the cook also saw the microwave to heat food. No more homemade. Will not be back [read more](#). As a visitor, you can use the WiFi of the restaurant free of charge. At Hill House in [New Castle](#), you get a abundant brunch in the morning and you can eat as much as you want feast, There are also some **international dishes** available in the menu.
