What [User](#) likes about Yung's Cafe:

Bulgogi is one of my favorite dishes and this place makes it very good. It's a nice quiet family owner you'd never stop. The staff is also great. Definitely a recurring customer will be here. [read more](#). Lovers of **Korean cuisine** are right at home here: The range includes **Kimchi**, a variety of diverse interpretations of Bibimbap, alongside a multitude of exquisite Jjigae that please the taste buds, You'll also find tasty bites, cake, simple snacks and chilled refreshments and hot drinks here. Of course, we must not forget the extensive variety of coffee and tea specialties in this restaurant, The successful fusion of different meals with fresh and partially daring ingredients is highly valued by the visitors - a nice example of Asian Fusion.
