They open at 11 a.m., but the Hibachi (if you want them to cook before you) begins at 5 p.m. We were the only ones for our table and the service was excellent and very entertaining. The food was good. I would definitely recommend and visit again. [read more](#). What [User](#) doesn't like about Sake Japanese House:

I have no idea how this place has such high reviews. We did an order to go the sushi was disgusting with an awful smell. None of the ingredients looked fresh, the avocado was brown as can be the dumplings were extremely soggy with the most gray looking meat. They also did not give us the right sauces to go along with our meal. 10/10 do not recommend to spend your money at this establishment. [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather, And into the accessible rooms also come visitors with wheelchairs or physiological limitations. **scrumptious sushi (e.g., Maki and Sashimi)**, as well as in many other variations, are prepared for you by Sake Japanese House from Sulphur, with fresh ingredients like fish, vegetables and meat, and a lot of fresh vegetables, fish and meat are used to prepare easily digestible Japanese dishes. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink. The meat is freshly cooked here on an open flame.
