The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. If you're craving some spicy South American cuisine, you've come to the right place: exquisite meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you can indulge in delicious American dishes like Burger or Barbecue. Even the **versatile, tasty Mexican cuisine**, traditionally cooked with corn, beans and chili, is very popular with the customers.
