Varied menu that has something for everyone whether you are on a diet or in the mood to have two of everything. A good warning. On Sundays it can easily wait a 45 minutes to an hour, not to mention your server will be sure to hurry along. You eat, you're out. The latter has certainly reduced the experience, but if you have set your expectations properly in advance, you will have a pleasant experience. [read more](#). If you're hungry some hot South American gastronomy, you're in the right place: exquisite dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, here they serve a appetizing brunch in the morning. Lastly, the restaurant provides a selection of **healthy** meals, which are unquestionably worth trying, there are also *fine* [vegetarian](#) meals on the menu.
