This place, regardless of whether it is a chain or not surprisingly good. I bought a grinder and a calzone and both were really good. I went to a whim and was happy that I did. I'd like to try the [pizza](#) again. The sauce was not too sweet, what I really like and the grinder was great. HOWEVER, the toppings for the calzone are WAY overpriced for what you get in such a small calzone. You might get 6 paprika, and it's \$1... [read more](#).
