What **User** likes about Wingit:

Honestly, this can now be my new favorite wing spot. I hope it doesn't change. It is a small place, but the wings aromas are amazing and the size is so much larger than that of wingstop and buffalo wild wings. Customer service was great and food about 15 minutes, but very much value the time. They even offer Daiquiris that you can take. Loved this place and will definitely return! [read more](#).
