Arby was pretty good. The customer has informed me incorrectly and made my order incorrect. After returning, cashier was more than happy to correct my order and explain that he must have missed a keystroke. That was my order wrong. So they did the best they could. I hadn't eaten since morning Quickie, and it was a summer not to have the sandwich that I've soelled just to think about it. [read more](#). What [User](#) doesn't like about Arby's: What can I really say? This is Arby's. I didn't expect much but the French dip sandwich was surprisingly good. I noticed a lot of my favorite menu items were not available, for example the gyro. Supply chain issues? [read more](#).
